

January 8th – 12th, 2018

St. John Preschool News

Morning Classes

NOTES

This coming week looks great for playing outside! Please make sure your child has

- snowpants
- snow boots
- a warm coat
- snow mittens
- hat

It works best to pack the snow gear in a cloth bag separate from your child's backpack.

Please label all your child's gear with his/her name to prevent mix-ups!

WHAT WE ARE LEARNING

*Our letter was Ll this week.

*This week we learned what bears, birds, and deer do in the winter. We learned the words hibernation and *migration*.

*In our small groups we sorted bears according to size, put 3-scene puzzles together to tell a story, and drew what we like to do in the winter.

*We had a great time playing outside a few days this week! Making snow angels and snowmen is great fun!

*Our Jesus Time story was about Jesus' baptism. We learned that Jesus was baptized in the Jordan River by John the Baptist.

UPCOMING EVENTS

Next week the MWF class will finish their study of animals in the winter. The T/Th class will start their study of penguins.

Our letter will be Mm

*Monday, January 15: No School

*Wednesday, January 17: Scholastic Book Orders Due

*Thursday, January 18: Storytime with Miss Sue
